

Emergency COVID-19: GUIDELINES TO ACCESS THE PIACENZA EXPO EXHIBITION CENTER

In compliance with the provisions in force for the purpose of containing the spread of the COVID-19 and to safeguard the health and safety of the participants, to enter the "Piacenza Expo" exhibition center, the following rules are required:

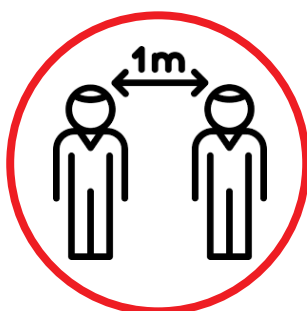

Access to people with body temperature over 37.5 ° C is forbidden. For this purpose, stations with thermoscanners have been set up at all pedestrian and vehicular access gates;

You must wear the appropriate mask during the entire time spent inside the exhibition center and the conference rooms;

The mask must be worn correctly, fully covering the nose and the mouth;

Maintain proper hands hygiene by using the sanitation stations located at the entrances of the fair and in the passageways;

It is recommended to follow the rules of social distancing, always maintaining the interpersonal distance of at least 1 meter.
